Letterhead Creation	

Under the Complete Branding Package the above items will be completed for the client within 3 weeks of start date.

1. Client will fill out a website questionnaire and choose a general layout from NMGs Layout Selector page. We will discuss design and 2 renditions will be completed for the client. General website steps and development will further be discussed with client upon inception.
2. Three renditions of the logo is created for your choosing or altering.
3. Once a logo is chosen and color palette perfected, the business card design is created in which 3 renditions will also be available to choose from.
4. Once the business card design is chosen, the other designs are created for the client, you provide the wording (or we can do that too for a tid bit extra) and we provide the rest!
5. From there the client can choose to print with us or receive all files digitally to print themselves.**

***All customers who enroll in this quick program receive \$50 NMG Dollars to use towards their next purchase!**

** Printing cost not included in service. This will be accessed per quantity. Please go to www.NationMarketingGroup.com/printcost.html to view our current prices. Thank you.
